Transforming the Future of Public Health in Missouri

Dennis Diehl, MPPA

Mr. Diehl worked from 1978 to 1996 for the St. Louis City Department of Health and Hospitals as a Health Services Manager in a variety of programs, but mainly Communicable Disease Control. He was Director of the Jefferson County Health Department from 1996 through 2013. He became Executive Director of the Missouri Institute for Community Health in March, 2017.

Mr. Diehl received a Master of Public Policy Administration from University of Missouri St. Louis in 1985.

He is currently the Vice President of the Jefferson County Health Department Board of Trustees and has been involved in numerous organizations including the Missouri Association of Local Public Health Agencies, Missouri Public Health Association, the Jefferson County Community Partnership, East Central Missouri Area Health Education Center, Great Mines Health Center and Supporters of the Jefferson County Drug Court.
