Transforming the Future of Public Health in Missouri

Robert Niezgoda, MPH

Mr. Niezgoda is the Director of the Taney County Health Department. He earned a Masters in Public Health from Missouri State University in 2004.

He is a graduate of the Missouri Public Health Leadership Institute (2010) and has led the Taney County Health Department through the public health accreditation processes of the Missouri Institute for Community Health and the National Public Health Accreditation Board.

Mr. Niezgoda has been a guest lecturer at Missouri State University, Cox College of Nursing, and College of the Ozarks.

He is currently the President of the Missouri Public Health Association and a board member of the Jordan Valley Community Health Center, Faith Community Health Center, Larry Simmering Recovery Center, Missouri Institute for Community Health, and Missouri Center for Public Health Excellence.
