Transforming the Future of Public Health in Missouri

Susan Thomas

Ms. Thomas is currently the Performance Improvement Manager in the Director's Office at the Missouri Department of Health and Senior Services (DHSS). As the Accreditation Coordinator and Performance Improvement Manager, she coordinated DHSS's PHAB accreditation process, which resulted in the Department's National Accreditation in March of 2016.

In addition to the Accreditation activities, Ms. Thomas leads and facilitates Performance Management, Quality Improvement and strategic planning initiatives across the Department.

She began working for DHSS in 1995 and has held positions in the Lead Poisoning Prevention Program, Cancer and Chronic Disease Control, Community Food and Nutrition Services.
